St. Mochulla's Admissions Policy.

Admission Policy of St. Mochulla's NS

School Address: Tulla Co. Clare

School Website: www.stmochullas.com

Roll number: 20075T

School Patron: Bishop Fintan Monahan

1. Introduction

This Admission Policy complies with the requirements of the Education Act 1998, the Education (Admission to Schools) Act 2018 and the Equal Status Act 2000. In drafting this policy, the board of management of the school has consulted with school staff, the school patron and with parents of children attending the school.

The policy was approved by the school patron on 13th May 2020. It is published on the school's website and will be made available in hardcopy, on request, to any person who requests it.

The relevant dates and timelines for St. Mochulla's N.S. admission process are set out in the school's annual admission notice which is published annually on the school's website at least one week before the commencement of the admission process for the school year concerned.

Notices will also be placed in the Parish Newsletter, on the school website and in the notes section of the Clare Champion to notify parents that the school is accepting enrolment applications for the coming year. The enrolment process is by written application only. Completed application forms should be returned by April 30th each year. All applications must be fully completed for consideration.

This policy must be read in conjunction with the annual admission notice for the school year concerned.

The application form for admission is published on the school's website and will be made available in hardcopy or softcopy on request to any person who requests it. Appendix 1 outlines the school's enrolment application form. A registration form (Appendix 2) also forms part of the enrolment procedure. This form will accompany the letter of offer that will be sent to parents/guardians of successful applicants. The completed registration form must be returned to the school within the timeline specified in the letter of offer. Failure to do so will be interpreted as a refusal of the offer to enrol.

The address at which the applicant resides will be the address used only by the school for correspondence regarding enrolment.

The completion of an enrolment application form or the placement of your child's name on a list, however early, does not confer an automatic right to a place in the school.

2. Characteristic spirit and general objectives of the school

St. Mochulla's NS is a Catholic co-educational primary school with a Catholic ethos under the patronage of the Bishop of Killaloe.

"Catholic Ethos" in the context of a Catholic primary school means the ethos and characteristic spirit of the Roman Catholic Church, which aims at promoting:

- (a) the full and harmonious development of all aspects of the person of the pupil, a living relationship with God and with other people; and
- (b) including the intellectual, physical, cultural, moral and spiritual aspects; and
- (c) a philosophy of life inspired by belief in God and in the life, death and resurrection of Jesus; and
- (d) the formation of the pupils in the Catholic faith;

and which school provides religious education for the pupils in accordance with the doctrines, practices and traditions of the Roman Catholic Church, and/or such ethos and/or characteristic spirit as may be determined or interpreted from time to time by the Irish Episcopal Conference.

In accordance with S.15 (2) (b) of the Education Act, 1998 the Board of Management of St. Mochulla's NS shall uphold, and be accountable to the patron for so upholding, the characteristic spirit of the school as determined by the cultural, educational, moral, religious, social, linguistic and spiritual values and traditions which inform and are characteristic of the objectives and conduct of the school.

Our School provides an education founded on an appreciation of childhood and family. It fosters an environment that values the physical, emotional, social, spiritual and intellectual growth of children. This requires the creation of a school community where the human differences present in our school and in our society are acknowledged, respected, esteemed and viewed as essential, and where ideas and behaviours that oppress others are challenged and addressed through an educational process. These differences include but are not limited to: race, gender, ethnicity, cultural, social, lifestyle, economic and religious, as well as the variety of physical, intellectual, and spiritual qualities that make unique individuals of us all.

The school depends on the grants and teacher resources provided by the DoES and it operates within the regulations laid down, from time to time, by the Department. School policy has regard to the resources and funding available.

The school follows the curricular programmes prescribed by the DoES, which may be amended from time to time, in accordance with Sections 9 and 30 of the Education Act 1998.

Within the context and parameters of DoES regulations and programmes, the rights of the patron as set out in the Education Act 1998, and the funding and resources available, the school supports the principles of:

- inclusiveness, particularly with reference to the enrolment of children with a disability or other special educational need;
- equality of access and participation in the school;
- parental choice in relation to enrolment; and
- respect for diversity of values, beliefs, traditions, languages and ways of life in society

- (a) the gender ground of the student or the applicant in respect of the student concerned,
- (b) the civil status ground of the student or the applicant in respect of the student concerned,
- (c) the family status ground of the student or the applicant in respect of the student concerned,
- (d) the sexual orientation ground of the student or the applicant in respect of the student concerned,

- (h) the Traveller community ground of the student or the applicant in respect of the student concerned, or

As per section 61 (3) of the Education Act 1998, 'civil status ground', 'disability ground', 'discriminate', 'family status ground', 'gender ground', 'ground of race', 'religion ground', 'sexual orientation ground' and 'Traveller community ground' shall be construed in accordance with section 3 of the Equal Status Act 2000.

- St. Mochulla's NS will cooperate with the National Council for Special Education in the performance by the Council of its functions under the Education for Persons with Special Educational Needs Act 2004 relating to the provision of education to children with special educational needs, including in particular by the provision and operation of a special class or classes when requested to do so by the Council.
- St. Mochulla's NS will comply with any direction served on the patron or the board, as the case may be, under section 37A and any direction served on the board under section 67(4B) of the Education Act.

St. Mochulla's NS is a school whose objective is to provide education in an environment which promotes certain religious values and does not discriminate where it refuses to admit as a student a person who is not of the Catholic faith and it is proved that the refusal is essential to maintain the ethos of the school.

Note for Parents: the inclusion of the above wording was mandated by the Education (Admission to Schools) Act 2018

St. Mochulla's NS is a school which has established a class, with the approval of the Minister for Education and Skills, which provides an education exclusively for students with a category or categories of special educational needs specified by the Minister and may refuse to admit to the class a student who does not have the category of needs specified.

4. Categories of Special Educational Needs catered for in the school/special class

St. Mochulla's NS with the approval of the Minister for Education and Skills, has established a class to provide an education exclusively for students with A.S.D.

5. Admission of Students

This school shall admit each student seeking admission except where –

- a) the school is oversubscribed (please see [section 6](#) below for further details)
- b) a parent of a student, when required by the principal in accordance with section 23(4) of the Education (Welfare) Act 2000, fails to confirm in writing that the code of behaviour of the school is acceptable to him or her and that he or she shall make all reasonable efforts to ensure compliance with such code by the student

All denominational schools

St. Mochulla's NS is a Catholic school and may refuse to admit as a student a person who is not of the Catholic faith where it is proved that the refusal is essential to maintain the ethos of the school.

Note for Parents: the inclusion of the above wording was mandated by the Education (Admission to Schools) Act 2018.

School with special education class(es)

The special class attached to St. Mochulla's NS provides an education exclusively for students with A.S.D. and the school may refuse admission to this class, where the student concerned does not have the specified category of special educational needs provided for in this class.

The special class caters for a maximum of six pupils. The purpose of a special (autism) class attached to a mainstream school is to provide an opportunity for children with autism to integrate with typically developing children in mainstream classes. This Autism Unit is not, therefore, suitable for children who do not have the potential to integrate into a mainstream class for some portion of each school day.

Only children who have a psychological assessment from a HSE multi-disciplinary team, such as The Clare Children's Services/CEIS, which includes a recommendation for placement in a special class for children with ASD attached to a mainstream school will be considered. This report must be no more than two years old from the closing date for applications for the next school year. (Where a supplementary report is required a NEPS assessment report may suffice where the child is already accessing primary education).

The child must be 4 years old on or before September 1st on the year of enrolment.

If the number of children on the waiting list exceeds the number of places available and The ASD class is deemed to be the most appropriate placement for these children then the following selection criteria will apply:

1. Children living within the parish.
2. Brothers and sisters of existing pupils.
3. Children of current school staff.
4. Children of those who received their primary education in Tulla.

5. Children recommended for the placement by the Clare Children's Services/CEIS and/or the local Special Educational Needs Organiser (SENO)
6. Children living outside the parish boundaries but within a 16km radius of the school.

6. Oversubscription

In the event that the school is oversubscribed, the school will, when deciding on applications for admission, apply the following selection criteria in the order listed below to those applications that are received within the timeline for receipt of applications as set out in the school's annual admission notice:

1. Children from the catchment area.
2. Siblings of pupils who are or have attended St. Mochulla's.
3. Children of staff members.
4. Random selection (independently verified)

The school catchment area is recognised as the parish of Tulla and such areas designated for school transport reasons.

In the event that there are two or more students tied for a place or places in any of the selection criteria categories above (the number of applicants exceeds the number of remaining places), the following arrangements will apply:

Random selection (independently verified)

Random Selection will take place by means of a lottery. The Principal, a representative of the executive of The Parents Association and one independent observer will be in attendance at this lottery.

7. What will not be considered or taken into account

In accordance with section 62(7) (e) of the Education Act, the school will not consider or take into account any of the following in deciding on applications for admission or when placing a student on a waiting list for admission to the school:

- (a) a student's prior attendance at a pre-school or pre-school service, including naíonraí,
- (b) the payment of fees or contributions (howsoever described) to the school;
- (c) a student's academic ability, skills or aptitude;
- (d) the occupation, financial status, academic ability, skills or aptitude of a student's parents;
- (e) a requirement that a student, or his or her parents, attend an interview, open day or other meeting as a condition of admission;

(f) a student's connection to the school by virtue of a member of his or her family attending or having previously attended the school; (other than in the case of siblings who are or have attended St. Mochulla's)

(g) the date and time on which an application for admission was received by the school,

This is subject to the application being received at any time during the period specified for receiving applications set out in the annual admission notice of the school for the school year concerned.

8. Decisions on applications

All decisions on applications for admission to St. Mochulla's NS will be based on the following:

- Our school's admission policy
- The school's annual admission notice (where applicable)
- The information provided by the applicant in the school's official application form received during the period specified in our annual admission notice for receiving applications

(Please see [section 14](#) below in relation to applications received outside of the admissions period and [section 15](#) below in relation to applications for places in years other than the intake group.)

Selection criteria that are not included in our school admission policy will not be used to make a decision on an application for a place in our school.

Decisions in relation to applications for enrolment rest solely with the Principal in accordance with school policy. The BOM will notify parents of their decision within 21 days of the closing date for the receipt of applications.

The BOM will have regard for the relevant DoES guidelines in relation to class size and staffing provisions and or any other relevant requirements concerning accommodation, including physical space and the health and welfare of children.

The BOM is bound by the DoES Rules for National Schools which provides that pupils may only be enrolled from the age of 4 years and upwards, though compulsory attendance does not apply until the age of 6 years. Children applying to enrol in St. Mochulla's NS must have reached the age of 4 years by August 31st of the year they will commence school.

9. Notifying applicants of decisions

Applicants will be informed in writing as to the decision of the school, within the timeline outlined in the annual admissions notice.

If a student is not offered a place in our school, the reasons why they were not offered a place will be communicated in writing to the applicant, including, where applicable, details of the student's ranking against the selection criteria and details of the student's place on the waiting list for the school year concerned.

Applicants will be informed of the right to seek a review/right of appeal of the school's decision (see [section 18](#) below for further details).

10. Acceptance of an offer of a place by an applicant

In accepting an offer of admission from St. Mochulla's NS, you must indicate—

- (i) whether or not you have accepted an offer of admission for another school or schools. If you have accepted such an offer, you must also provide details of the offer or offers concerned and
- (ii) whether or not you have applied for and awaiting confirmation of an offer of admission from another school or schools, and if so, you must provide details of the other school or schools concerned.

11. Circumstances in which offers may not be made or may be withdrawn

An offer of admission may not be made or may be withdrawn by St. Mochulla's NS where—

- (i) it is established that information contained in the application is false or misleading.
- (ii) an applicant fails to confirm acceptance of an offer of admission on or before the date set out in the annual admission notice of the school.
- (iii) the parent of a student, when required by the principal in accordance with section 23(4) of the Education (Welfare) Act 2000, fails to confirm in writing that the code of behaviour of the school is acceptable to him or her and that he or she shall make all reasonable efforts to ensure compliance with such code by the student; or
- (iv) an applicant has failed to comply with the requirements of 'acceptance of an offer' as set out in [section 10](#) above.

12. Sharing of Data with other schools

Applicants should be aware that section 66(6) of the Education (Admission to Schools) Act 2018 allows for the sharing of certain information between schools in order to facilitate the efficient admission of students.

Section 66(6) allows a school to provide a patron or another board of management with a list of the students in relation to whom—

- (i) an application for admission to the school has been received,
- (ii) an offer of admission to the school has been made, or
- (iii) an offer of admission to the school has been accepted.

The list may include any or all of the following:

- (iv) a student's personal details including his or her name, address, date of birth and personal public service number (within the meaning of section 262 of the Social Welfare Consolidation Act 2005).

13. Waiting list in the event of oversubscription

In the event of there being more applications to the school year concerned than places available, a waiting list of students whose applications for admission to St. Mochulla's NS were unsuccessful due

to the school being oversubscribed will be compiled and will remain valid for the school year in which admission is being sought.

Placement on the waiting list of St. Mochulla's NS is in the order of priority assigned to the students' applications after the school has applied the selection criteria in accordance with this admission policy.

Applicants whose applications are received after the closing date, outlined in the Annual Admission Notice, will be placed at the end of the waiting list in order of the date of receipt of the application.

Offers of any subsequent places that become available for and during the school year in relation to which admission is being sought will be made to those students on the waiting list, in accordance with the order of priority in relation to which the students have been placed on the list.

14. Late Applications

All applications for admission received after the closing date as outlined in the annual admission notice will be considered and decided upon in accordance with our school's admissions policy, the Education Admissions to School Act 2018 and any regulations made under that Act.

Late applicants will be notified of the decision in respect of their application no later than three weeks after the date on which the school received the application. Late applicants will be offered a place if there is place available. In the event that there is no place available, the name of the applicant will be added to the waiting list as set out in Section 13.

15. Procedures for admission of students to other years and during the school year

The procedures of the school in relation to the admission of students who are not already admitted to the school to classes or years other than the school's intake group are as follows:

Applications for enrolment during the school year will be considered subject to school policy, available space and the provision of information concerning attendance and the child's educational progress.

Such applications will be dealt with on a case-by-case basis but will normally only be considered for admission on the first day of each new term unless the applicant is newly resident in the area.

The procedures of the school in relation to the admission of students who are not already admitted to the school, after the commencement of the school year in which admission is sought, are as follows:

In the event of there being more applications to the school year concerned than places available, a waiting list of students whose applications for admission to St. Mochulla's NS were unsuccessful due to the school being oversubscribed will be compiled and will remain valid for the school year in which admission is being sought.

Placement on the waiting list of St. Mochulla's NS is in the order of priority assigned to the students' applications after the school has applied the selection criteria in accordance with this admission policy.

Junior Infants, with the exception of students transferring from another school, may only be admitted to the school prior to the start of the new school year.

16. Declaration in relation to the non-charging of fees

The board of St. Mochulla's NS or any persons acting on its behalf will not charge fees for or seek payment or contributions (howsoever described) as a condition of-

- (a) an application for admission of a student to the school, or
- (b) the admission or continued enrolment of a student in the school.

17. Arrangements regarding students not attending religious instruction

Our school is of a Catholic ethos and, in keeping with that ethos, children of all or no other faith are welcome to apply to this school.

We respect the decision of parents to withdraw their child/children from taking part in the religious education curriculum, religious ceremonies, school Masses, etc.

The following are the school's arrangements for students, where the parent(s)/guardian(s) have requested that the student attend the school without attending religious instruction (etc.) in the school. These arrangements will not result in a reduction in the school day of such students:

A written request should be made to the Principal of the school. A meeting will then be arranged with the parent(s)/guardian(s) of the student, to discuss how the request may be accommodated by the school.

18. Reviews/appeals
