

Addresses and phone numbers.

Please let us know if you have changed your address or phone contact number. It is essential that we have up to date contact details for all children. You can update your contact details via the Aladdin Connect App.

Labelling of Clothing

Please ensure your child's clothing and other items are clearly labelled to minimise the amount of lost property that accumulates in the school each year.

We would like to remind you of the following school policies regarding:

Jewellery

To ensure safety and to eliminate the risk of injury during P.E. jewellery should **not** be worn by pupils during the school day. This includes earrings and chains.

Birthday Party Invitations

You are asked not to distribute birthday invitations via the school. It is very difficult to explain to children why they might be excluded from a party. Your co-operation in this matter is much appreciated.

Homework. You are requested to check your child's homework daily.

Mobile Phones/Electronic Devices

In the past we have facilitated pupils leaving phones and other electronic devices in the office. Unfortunately in the current climate we cannot continue with this facility. As a result children may not bring mobile phones or other electronic devices to school.

Collecting children from school during the school day.

Due to the current circumstances, visitors to St. Mochulla's are severely restricted and your continuing co-operation is greatly appreciated in maintaining this protocol. Should you wish to collect your child from school during the day for any reason, please ring the office when you are outside the school and your child will be brought out to you.

- Park on school side of road **ONLY** so as to avoid children having to cross the road.
- Both bus bays must be kept clear but may be used as a **drop off zone only** when buses have departed.
- Please enter the bus bay via the entrance furthest from the school gate.
- Please observe the set down only area and the no parking zone (immediately outside school).

Entering/exiting the school

All children should enter and exit the school grounds through their designated entrance at the main gate **only**. The car park entrance is for cars only.

Children must not be walked through the car park.

Those cycling to school should dismount their bikes on entering the school grounds.

It is most important that these instructions are given to those who bring your child to school.

Walking and cycling to school.

If your child is walking or cycling to school please speak to them about the importance of road safety. Please ensure they wear a hi-viz jacket and helmet if cycling.

Family Contributions

A voluntary family contribution towards Art and Crafts, photocopying and Accelerated Reader is asked at this time of year. A guideline of €30 per child with a maximum of €60 per family is requested. We also ask for a €10 digital subscription per child to help cover the costs of digital licences. These monies can be paid via the online payment facility on Aladdin Connect. Thank you to all who have contributed to date.

Please be reminded that throughout the year, finance should never prohibit any child from participating in any school related events.

Please contact the office in this regard.

Education Welfare Act

Schools are obliged by law under The Education (Welfare) Act 2000 to submit reports on school attendance to the Educational Welfare Services of The Child and Family Agency. (TUSLA)

The school is obliged by legislation to inform TUSLA when a child has been absent for 20 days in a school year. If your child is absent from school you will receive an absent notification via Aladdin Connect.

Aladdin Connect

If you are experiencing any difficulty accessing Aladdin Connect please contact the office.
